

LOST WORDS

**Moonlight shadow wandering with me
[Alone]**

**Blind sunlight of a street with no souls to cry
[Over]**

Spread your wings and caress my jealous heart

There's no more room in the book of*

**...
Like black butterflies (Hummm...)
Spread their wings and dig in.**

**...
I die in your lips and smile
With no wings to fly
Over
A spinning world in a torrent of***

**...
Like black butterflies (Hummm...)
Spread their wings and dig in.**

***lost words**
